

# GWSP – CONSULTATION WORKSHOP

## *AGENDA*

Title	Global Water System Project – Consultation Workshop
Venue	GWSP IPO, Centre for Development Research (Middle Conference Room, Ground floor), Bonn, Germany
Date	6-7 December 2004
Participants	10 representatives of GWSP stakeholder research organisations
Objectives of the workshop	<ul style="list-style-type: none"> <li>▪ Develop and discuss guidelines for the establishment of partnerships with national and international research organisations (affiliates)</li> <li>▪ Discuss potential affiliates (such as FAO, UNESCO etc.)</li> <li>▪ Develop and discuss guidelines for (and/or the necessity of further) national committees</li> <li>▪ Discuss different ways to endorse GWSP related projects</li> <li>▪ Discuss future areas of collaboration</li> </ul>
Expected outputs	<ul style="list-style-type: none"> <li>▪ Draft guidelines for partnership establishment</li> <li>▪ Draft guidelines for national committees</li> <li>▪ A draft list of potential affiliates</li> <li>▪ Draft guidelines for project endorsements</li> <li>▪ List of high priority areas for collaboration</li> </ul>
Process	<p>The representatives from partner organisations are asked to give a brief presentation on current plans in relation to the scientific framework of the GWSP. They should address the following questions explicitly in their presentations:</p> <ul style="list-style-type: none"> <li>▪ Which parts of the GWSP Scientific Framework – i.e. <b>which themes and activities</b> – <b>match</b> your current and planned activities?</li> <li>▪ How can the <b>GWSP support</b> your project aims?</li> <li>▪ <b>Which</b> of the expected <b>GWSP results</b> interest you?</li> <li>▪ How can <b>your organisation support</b> the GWSP project aims?</li> <li>▪ Which of <b>your project's results</b> can be used in the GWSP?</li> <li>▪ Which <b>activities</b> of the GWSP Scientific Framework can be carried out in <b>co-operation</b> with your organisation?</li> <li>▪ <b>What kind of co-operative activities</b> do you propose (joint project proposals, exchange of results, sharing data, etc.)?</li> </ul> <p>Your answers to these questions will be used as a basis for the discussion about guidelines for co-operations.</p>
